Mc Loughlin Horse Handling Clinic

October 23, 24, 25 2009

9:00 a.m. - 4:30 p.m.

Do you know how your position affects your horse?

Come ready to ride & have fun with your horse and learn how to be a more efficient rider by having a better position.

What is a clinic?

A clinic is a group of riders assembled for the purpose of improving their riding skills and increasing their knowledge. The three days include riding session video and lecture.

Practice and perfect techniques based on solid basics and correctness.

Ron Mcloughlin's training and philosophy continues to give riders a solid foundation no matter what discipline they ride. His goal is to teach riders that the best results come from a happy, healthy horse.

All riders welcome, novice to advanced skills. Auditors are invited. Limited to 25 riders
